

**Bowman Field Minimum Standards  
Commercial Aeronautical Activity Application  
Commercial Operators Excluding Independents  
Page 2**

If the type of Commercial Aeronautical Activity(ies) being proposed is generally accepted by the Authority, and requires the leasing of land and/or Improvements for a term greater than 12 months, a more formal public proposal process will be conducted by the Authority as required by Kentucky Revised Statutes. During this proposal process, Applicant shall be given the opportunity to provide more detailed information in its endeavor to obtain the right to engage in the Commercial Aeronautical Activity(ies) being sought by the Applicant.

In order to establish requirements are you willing to go through a public bid process?

Yes

No
