Dwight H. Clayton, PE, Hired as Director of Engineering

Louisville, KY (December 13, 2007)— Skip Miller, Executive Director of the Louisville Regional Airport Authority, announced today that Dwight H. Clayton, P.E., has been hired, effective January 2, 2008, as the Authority's Director of Engineering.

As the Director of Engineering for Louisville International (SDF) and Bowman Field (LOU), Clayton will oversee the engineering and construction programs for both airports and coordinate those plans and projects with outside agencies.

Clayton most recently was a Project Manager for Michael Baker, Jr. Corp. in Louisville. He also has served as Project Manager for PBS&J in Florence, KY and ECE, Inc. in Elsmere, KY.

Miller noted, "Clayton's extensive aviation-related project management experience will assist the Authority with refining our long-range capital improvement program and makes him the ideal candidate for this position."

Clayton holds a Bachelor's Degree in Civil Engineering from the University of Kentucky and is licensed as a professional engineer in Kentucky, Ohio, and Indiana.

Clayton has served as the President of the Northern Kentucky Chapter of the Kentucky Society of Professional Engineers including ten years as Mathcounts Chairman for the chapter. In addition, he is active in the National Society of Professional Engineers, Kentuckians for Better Transportation, Kentucky Aviation Association and Airport Consultants Council.
