Dorothy “Dodie” M. Caulk, CPA Named Director of Finance and Accounting

Louisville, KY (March 6, 2008)— Skip Miller, Executive Director of the Louisville Regional Airport Authority, today announced that Dorothy “Dodie” M. Caulk, CPA, has been named as the Authority’s Director of Finance and Accounting, effective March 1, 2008.

As the Director, Caulk will manage the Finance and Accounting Department, including all cash management, investment and banking activities. In addition, she will oversee the administration of federal grants, bonds, payroll and the budget process.

Caulk most recently was Capital and Planning Manager for the Authority. She also served as a Senior Associate and then Manager for Potter & Company, LLP, in Louisville, KY.

Miller noted, “Caulk’s extensive aviation-related financial and management experience will assist the Authority with our long-range financial plans and makes her the ideal candidate for this position.”

Caulk earned a Bachelor’s Degree in Business Administration - Accounting from Sullivan University, graduating summa cum laude.
