

CHAPTER 600

601. RATES, CHARGES AND FEES

- A. The Authority shall from time to time establish and publish general rates, charges and fees for the use of Airport landing areas, ramps, and common aviation facilities, and for commercial vendors, concessionaires and other Persons for the use or occupancy of Terminal or other ground use facilities, all upon such conditions as the Authority may deem in the best interest of maintaining, operating or expanding necessary Airport or air navigation facilities, and the public use thereof. Such general rates, charges and fees, when established and published as required by law, shall have the same force and effect as if a part of these Regulations. Published general rates, charges and fees shall not apply to Signatory Airlines or to any user of the Airport with whom the Authority has entered into a written agreement, license, or permit providing different rates, charges or fees. Nothing in such published general rates, charges and fees, or in these Regulations shall be deemed to grant authorization to any Person to conduct any commercial or other activity upon, or occupy any part of, the Airport for any purpose.
- B. Definitions. For purposes of Chapter 600:
- (1) "AIRPORT USE AGREEMENTS" are written agreements between an air transportation company and the Authority having terms and provisions substantially like those set forth in the form of agreements approved by the Authority's Board on or about June 2005.
 - (2) a "SIGNATORY AIRLINE" is an air transportation company which (i) provides air service; (ii) has executed an Airfield Use Agreement; and (iii) has either (y) entered into a Terminal Use and Lease Agreement for use and occupancy of the Landside Terminal Building Area, the Airside Terminal Building Area, and the Terminal Apron Area having terms substantially the same as those contained in the Terminal Use and Lease Agreement entered into by certain airlines effective July 1, 2005 and providing for the leasing of a minimum of 500 square feet of Exclusive Use Space or (z) leased or subleased from the Authority a minimum of five acres or entered into a "through the fence" agreement allowing airfield access from adjoining facilities in each case for a term ending on the earlier of (a) ten (10) years from the Effective Date of the Terminal Use and Lease Agreement or (b) June 30, 2021. The right of any Person occupying or using space to continue to use or occupy under these Regulations may be terminated by the Authority immediately upon notice, and such termination shall be effective at the conclusion of any period for which the rents have been paid prior to the receipt of such notice.
- B. Any Person occupying or using space in any building on the Airport, after the expiration of such Person's contract, permit, lease or license, without written permission to do so from the Authority, shall pay rent at double the rate provided in such expired contract, permit, lease or license for each month or fraction thereof of occupancy of such space, which amount shall be payable, in advance, on the first day of each monthly period of extended occupancy, and where appropriate, shall be in addition to payment for utilities consumed in such space.

603. POLICY FOR ESTABLISHING CERTAIN RATES, FEES AND CHARGES

- A. The basic policy of the Authority is that the Airport System will be operated, maintained and developed on at least a self-sustaining basis, without the use of local tax revenues and in a manner designed to meet the covenants under the Louisville Regional Airport Authority Airport System Revenue Bond Resolution. To this end, rates, fees and charges to airlines operating at Louisville International Airport without a written agreement with the Authority, will be established, subject to the right of the Authority to amend its Schedule of General Rates, Charges and Fees as permitted by law and consistent with the provisions of said Revenue Bond Resolution and other obligations of the Authority.
- B. In return for use of premises, and the rights, licenses, and privileges granted hereunder and for the undertakings of the Authority, airlines and other users of airport facilities agree to provide the Authority information and to pay the Authority, without deduction or set off, certain rentals, fees, and charges as set forth in these Regulations. Users shall furnish to the Authority on or before the 10th day of each month, an accurate report of their activities at the Airport during the preceding month, setting forth all data the Authority deems reasonably necessary to calculate the fees and charges due the Authority under these Regulations. All fees and charges shall be due and payable within fifteen (15) days from date of invoice unless otherwise specified on the invoice. Any payment not received on or before the due date shall accrue interest as specified in Section 604 below.

604. INTEREST AND SERVICE CHARGE

- A. All rentals, fees or other charges due the Authority under these Regulations, under any written agreement, permit or license (except under a written agreement, permit or license executed prior to the adoption of these Regulations), or otherwise, shall be due on the due date specified on the invoice issued therefore. There shall be an interest and service charge of one and one-half percent (1-1/2%) for each month or fraction thereof, on any amount due and unpaid to the Authority under such invoice commencing on the first day following the due date thereof. The obligation for payment of such interest and service charge shall be a part of all agreements, permits or licenses hereafter executed by the Authority, whether or not expressed therein and whether or not reference to this Regulation is made therein. In no case shall such interest and service charge be less than one dollar (\$1.00) per assessment per month.
