Construction Update: Louisville International Airport Terminal Enhancement Project

Louisville, KY (June 16, 2016) – Construction continues on the \$9.5 million Louisville International Airport Terminal Enhancement Project. HMS Host (food-and-beverage) and Paradies Lagardère (gift-and-news) are investing more than \$8 million combined in new outlets and retail stores.

After the Security Checkpoint (Airside Terminal) – Connector Area

Construction on the east side of the airside connector (beyond the security checkpoint to the airside rotunda) begins **Thursday, June 16 and will continue through August**. Due to the enhancements in this area, the following adjustments will take place:

- **Pedestrian Walkways:** The east walkway will be temporarily closed during this phase of construction.
- **Moving Sidewalk:** Both directions of the moving sidewalk will remain open and accessible during construction.
- **Restrooms:** The men's and women's restrooms directly after the security checkpoint will remain open.
- **Electric Passenger Carts:** Electric cart service will be temporarily unavailable due to the construction walls. Special Service Representatives (SSR) with wheelchairs are available to assist travelers to their gates.

New food-and-beverage outlets **The Local Rustic Market** and **The Farmers Market** will open Friday, June 17 in the airside concourses. These grab-and-go kiosks replace the former La Tapenade locations. The Local Rustic Market will be in Concourse A (between Gates A8 and A10), while The Farmers Market will be in Concourse B (between Gates B9 and B11).
