## **Evelyn Strange Appointed to Airport Board**

**Louisville, KY (August 20, 2012)**—Ms. Evelyn Strange has been appointed by Governor Steve Beshear to the Board of Directors of the Louisville Regional Airport Authority for a four-year term, which ends July 15, 2016. She replaces J.D. Nichols, whose term had expired.

Ms. Strange is President of Advanced Electrical Systems, Inc, a full-service industrial and commercial electrical contracting and engineering firm and currently serves on the Metro Chamber's Greater Louisville, Inc. Executive Committee.

Mr. Nichols was appointed to the Board in 1992, and served as Chairman from 2004 until November 2009. He was an early and ardent supporter of the Louisville Airport Improvement Program. Chairman of the Louisville Regional Airport Authority Board Phil Lynch noted, "J.D.'s knowledge of and passion for aviation and his vision for our community's future were catalysts that led to the creation of today's airport."

Skip Miller, Executive Director of the Louisville Regional Airport Authority said, "Our airport certainly wouldn't be the 3<sup>rd</sup> largest cargo airport in North America nor one of this community's major economic engines without J.D.'s determination to construct the parallel runway system envisioned as part of the LAIP. The airport will be a lasting testament to this vision and service."

Mr. Nichols is Chairman of the Board of NTS Corporation, a real estate development and management company with commercial, residential and multi-family holdings nationwide.
