NOTICE

Louisville International Airport – Concourse B Scheduled Temporary Power Outage

What:	In cooperation with the Louisville Regional Airport Authority, HMS Host subcontractor – Ready Electric Co. – will temporarily suspend power at Louisville International Airport – Concourse B only .
When:	Thursday, September 1, 2016 from 2 a.m. to 4 a.m. No travelers should be affected as this temporary outage is scheduled after the last flight arrives on Wednesday, August 31 and before the first flight departs on Thursday, September 1.
Where:	Louisville International Airport – Concourse B only . No other areas in the terminal or on airport property will be impacted.
Why:	This temporary power outage is due to work on the \$9.5 million Louisville International Airport Terminal Enhancement Project. In addition, HMS Host (food-and-beverage) and Paradies Lagardère (gift-and-news) combined are investing more than \$8 million in new outlets and retail stores. For more information on the Terminal Enhancement Project, click the <i>Pardon our Dust</i> link at www.FlyLouisville.com .
