

News and Information about Bowman Field
from Louisville Regional Airport Authority

Bowman Briefing

The LRAA hosted its spring Bowman Briefing on Tuesday, May 10 at the Aero Club.

Project Updates

- The Tree Trimming and Removal Maintenance Project that focused only on properties with existing aviation easements or airport-owned property is now complete. The Obstruction Mitigation Restoration Project has started and includes tree replacement and landscaping work.

- Work continues on improvements in the South Hangar area including the reconstruction of Taxiway "J." As part of this, Runway 15-33 remains closed until early July.

Future capital projects, subject to budget approval, include pavement rehabilitation and replacing the perimeter security fence along Taylorsville Road.

Door Prize Winners

Congratulations to the winners of our door prizes:

Rick Tabb and **Darrell Lyvers** each won a Bowman Field t-shirt.

Rick Mills and **Keith Mountain** each won an Aero Club hat.

Darren Rush won a taxiway table lamp that he gifted to Director of Public Relations Trish Burke, who recently retired from the Airport Authority.

Bowman Field Airport Area Safety Program

A recent letter to Bowman Field neighbors updated them on the status of the Bowman Field Airport Area Safety Program.

The biggest news was the FAA's publication of the

Draft Environmental Assessment (DEA) for public review and comment.

The DEA was prepared to enable the Airport Authority to acquire aviation easements from property owners, where trees are penetrating or are within 10 feet of penetrating the FAA's approach surfaces, and to trim or replace those trees. The DEA also examines project alternatives and evaluates the environmental consequences of the preferred alternative project.

The DEA is available for review and comment at the Louisville Free Public Library (301 York Street), the Airport Authority Administration Building (700 Administration Drive) and online at www.FlyLouisville.com. The document is also available for review at the Program Office in the Bowman Business Center (2700 Moran Avenue, Suite B) Tuesdays from noon until 7 p.m. and Wednesdays 8 a.m. to noon through the month of June or by appointment. To schedule an appointment at the Program Office, call (502) 451-0772.

Comments will also be accepted at a public hearing on the overall project and DEA on Tuesday, June 28, from 5:30-7:30 p.m. at the Breckinridge Inn (2800 Breckenridge Lane).

To view a copy of the update recently sent to neighbors, or for information about reviewing and commenting on the DEA, visit www.FlyLouisville.com.

Derby at Bowman

The ATCT at Bowman Field reported more than 1,500 aircraft take-offs and landings from Thursday, May 5 to Sunday, May 8. In addition, 106 aircraft were on the ground at race time.

As in previous years, the airport was the start of the Kentucky Derby Festival's U.S. Bank Great Balloon Race (cancelled due to weather); however, the U.S. Bank Great Balloon Rush Hour Race started as scheduled.
