Louisville International Airport (SDF) is strategically positioned within a day's drive or a two-hour flight from half of the U.S. and Canadian population. SDF offers an ideal combination of access, location, and versatility. Just minutes from downtown, SDF is a vibrant 21<sup>st</sup> century commercial airport offering over 80 daily scheduled passenger flights to 25 non-stop destinations throughout North America. SDF provides airfield access, security and logistics capabilities while maintaining the flexibility you need to build facilities that best meet your needs.
